Requests/Clarification /Queries/raised by the Agency/Training Provider

Expression of Interest (Eol) for Empanelment of Training Partner to conduct Skill Development Training Programme across the state of Tripura under Directorate of Skill Development , Government of Tripura.

Eol No.: F.9 (81)/DSD/2025

Sl. No.	Name of the Training Provider/Agency	Existing criterion laid in the Eol Document	Requests/Clarification/ Queries raised by the agency	Clarification furnished
1	BSP SPARTON PVT Ltd	Point 4 of Sl. No.2-The Institution/organization should have conducted Skill Development Training Programme during the last 3 years i.e. FY 2022-23, 2023-24, & 2024-25 for Government Departments or their Autonomous bodies or PSUs.	Eligibility Conditions: [Sl.no3] – As a newly established entity, we do not have a track record spanning three years. However, our team members individually possess significant experience in conducting skill development training programs in collaboration with various organizations. We propose that instead of institutional experience, the evaluation could consider the expertise of key personnel or innovative training methodologies	Registered Start-up may be kept outside of the purview of the conditions referred. So bidder request accepted.
		Point 4 of Sl. No.6-The bidder should have an average turnover of at least Rs. 10, 00,000/- (Ten lakh) for last three years. The balance sheet/audited report for the last three financial years should be submitted (2021-22, 2022-23, & 2023-2024)	Eligibility Conditions: [Sl.no6] Since our company was formed in April 2024, we do not have financial statements for these periods. We request consideration of alternate criteria such as projected financials, business potential, or exemptions for startups.	
			Eligibility Conditions: [Sl.no5] Given our startup & MSME status, we request an exemption or relaxation in the technical evaluation marking system, particularly in criteria linked to prior experience, past projects, or financial standing. We propose an alternative evaluation method that considers innovative capabilities, domain expertise of key personnel, and potential for scalability, allowing startups like ours to compete fairly.
